### Mission Statement

Our mission is to provide one-time financial assistance to women in Weld County. We do so with open hearts, a respect for the generosity of our donors and the privacy of our recipients, and a belief that we can make our community a better place through our actions and commitment.

Dear Friends,

One of the joys of preparing an annual report is that it gives us a chance to look back and to be thankful for all that has been accomplished. The past year was filled with many opportunities to make a difference in the lives of local women. Some highlights were:

- Women2Women has given financial aid to local women who have exhausted all other resources in the community for emergencies, such as car repairs, dentures, hearing aids, deposits, and educational assistance.
- In 2017, Women to Women assisted 126 local women with \$72,297.
- Women2Women has increased our partner agency network from 44 to 57 agencies.
