

11th Annual
Circle of Sisters Celebration
Luncheon & Silent Auction

Changing lives,
one woman at a time.

University of Northern Colorado
Campus Commons
Saturday, May 6, 2023
11:00 am – 2:00 pm

Thank you to all the businesses, individuals and organizations that have generously supported Women2Women and have joined us today to celebrate the Circle of Sisters Celebration!

Laurie Walker

Women2Women Director of Program and Engagement

Lauris Laue

...Imagine a young student with the talent and drive to succeed but not enough money to pay for lab supplies or textbooks...

...a single working mother with young children that has secured safe housing but lacks the money to cover the required deposit...

Or a senior woman who needs new glasses to help her see clearly and maintain her "lifeline" of part-time employment.

An organization of women, committed to providing women like these with a one-time, immediate financial assistance...that's Women2Women.

At Women2Women we provide one-time emergency financial assistance that provides a "hand-up" to Weld County women and their families.

We do this through a referral system with other non-profit organizations and provide a financial alternative for emergencies that might not otherwise be funded.

The majority of approved requests are funded within 24 to 48 hours with payment going directly to the service provider which ensures the funds are returned back to our Weld County community.

Most importantly, the donations we receive today will be used to assist women in crisis. The support of our Weld County community, people like you, is what allows us to continue to do the important work that we do.

Thank you...

for joining us today and supporting Women2Women.

Dr. Liz Clark

President

Women2Women Board of Directors

-Recipient: Patty Gates	
Closing Remarks	Karen Wainscott

100 x \$100 Campaign

In 2009, Women2Women was started when the founding members each asked 10 friends to donate \$100, raising \$11,000 in 37 days. Each year the tradition of asking friends for help continues the last 100 days of the year. **To date your donations have raised over \$1 million. Thank you so much** – your contributions provide needed funding for one-time financial assistance to women in our community.

We also direct your donations to local community vendors who provide the direct services to the Weld County women we serve. As the need to assist Weld County women grows, community members like YOU investing in our mission helps to meet community demands. Through support of women in crisis Women2Women positively impacts hundreds of lives in Weld County. **Thank you again for your support!**

The Power of the Purse

***“Thank you so much for this help and all that you do!
W2W is such a blessing to our community”.***

Kay Broderius 2023 “Hand Up” Recipient Patty Gates

For most of you here today Patty Gates needs no introduction. Her tireless dedication to the benefit of Greeley and its community needs has made her familiar to many of us.

Patty is a Greeley native, married to husband John and has two sons, Jared and Zach St. Aubyn. Patty has been recognized as a Woman of Distinction in the Banking and Finance Sector of Bizwest, named Citizen of the Year by the Greeley Area Realtors Association, recognized as a Business Leader at the Celebrating Women Gala, and along with husband John, named Weld County Distinguished Citizens by the Boy Scouts of America.

As well as being a busy professional in the banking industry, Patty has served positions on 18 different civic/community service organizations including Past President and board member of Women2Women.

Our current Board President Dr. Liz Clark credits Patty with helping her find her love for Women2Women through her example as a driven and passionate leader. Patty is a true asset to our community, and it is our honor to present her with the 2023 Kay Broderius “Hand Up” Award.

Greeley Interfaith Association

The Greeley Interfaith Association is proud to support Weld Women2Women for their tremendous work helping women who are at a crisis point in their lives. We appreciate that W2W not only invests in the futures of the women they help, but also invests back into businesses in our community that provide the services the women need.

- Helping -
Weld County W2W is a collaborative effort.

We collaborate with numerous Weld County agencies. All requests for grant funding must be made by a referring Weld County nonprofit organization.

Many thanks to our agency partners.

At PDC Energy, Community Matters.

PDC Energy is a proud supporter of
Women 2 Women and its important mission.

My why for Women2Women is real simple.

I have seen the problems that women have with car repairs and other needs in their lives. Transportation issues can cause a lot of havoc in anyone's life, but when you are a single mom or just a single woman you may not have the knowledge or assets to deal with a car issue. And when anyone finds themselves in a financial bind in life you just have to hope you can find someone you can trust, or that you find that someone who will trust you.

Many years ago I felt like I could trust a divorced mother who was struggling, so I took care of fixing her car and told her to pay when she could. It took several years to get her bill cleared up and there were gaps in time when I did not hear from her. But she did finally get the bill paid (by mail and I never spoke with her) and life just went on.

A couple years went by and one day she walked in the front door of the shop, looking for me. What she told me that day is why I support Women2Women and what they do in our community. She said: You trusted me when no one else would. That trust is what pulled me onward and out of the hole I had found myself in. She was now happily remarried, financially stable and happy with her life.

I was blessed to be part of her story and I know that other women can have that same result in their lives because of what Women2Women does.
